Dear Potential Donor or Sponsor,

The purpose of this letter is to see if you and/or your Business would be interested in donating to or becoming a sponsor of the AFRA Golf Tournament benefitting the Yamakawa Family in their time of hardship. Rob "Yami" Yamakawa has been with the Anaheim Fire Department for 21 years, but he was recently struck with sudden onset Congestive Heart Failure that nearly cost him his life. At age 49, Rob will no longer be able to work as a Firefighter in the same capacity, and may require extensive Heart Surgeries and Rehabilitation in the future. Rob and Kristine have two young boys and are in need of our support.

Rob is a Captain Paramedic with Anaheim Fire & Rescue. Captain Rob Yamakawa is an extremely giving person and has always been very active in his community. Rob is a true servant of others, whether he is coaching youth sports, saving lives on the job, or creating a charitable organization to help others. Rob was the driving force and founder of the Anaheim Firefighter Relief Association, which was established to assist our members in their time of need. That is the type of guy Rob is and this is why we are looking to make this event a huge success. He is also an avid golfer and what better way for us as a community to show our whole-hearted support than with a golf tournament in his honor.

The golf tournament will be held on Wednesday, May 30, 2018, at the Black Gold Golf Course in Yorba Linda, California. This fundraiser will also provide social media and local community exposure for your organization. We invite you to be a partner with us in this event!

We have an estimated attendance of 200 and all proceeds will be donated to the Yamakawa Family. The Anaheim Firefighters Relief Association is a non-profit organization. Please contact us with any questions. We are happy to find the right fit for you or your organization's donation/sponsorship. Thank You for your consideration and look forward to hearing from you.

Respectfully,

Tyler Neuhausen
Tournament Chairman
